

Columbus Rose Fellowship Mixed Income Neighborhoods Survey – Summary of Responses

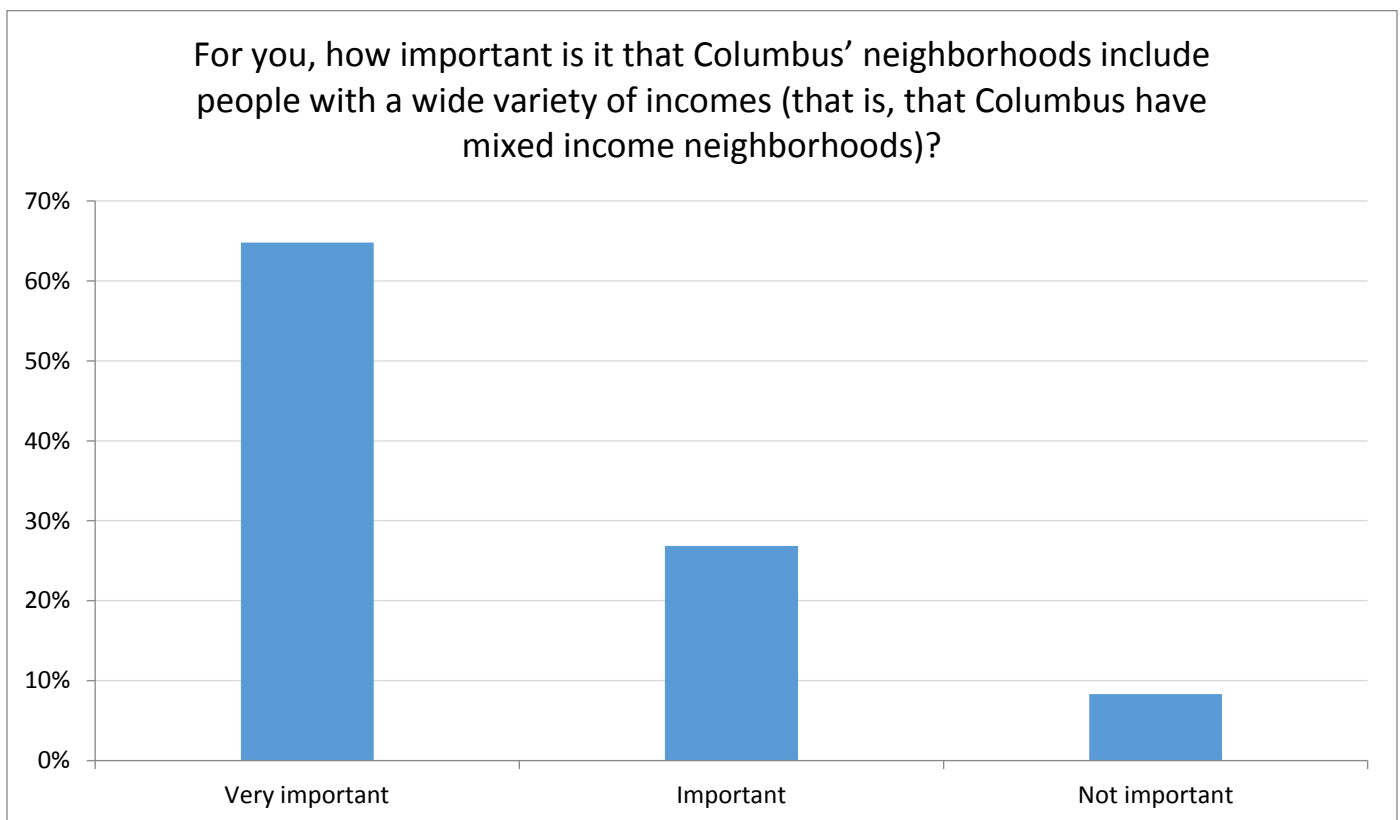

The city of Columbus distributed a “Mixed Income Neighborhoods Survey” in March of 2018 in order to gain general input from neighborhood leadership, developers, and other stakeholders on the Columbus Rose Fellowship topic of mixed income neighborhoods. The survey was emailed to approximately 420 people, posted on the project website and the Planning Division Facebook page. Over 100 people responded and a summary of their responses is provided below. Responses to questions that allowed specific individual comments are categorized in order to provide a general summary of those comments.
